

**FIRST 5 SAN JOAQUIN CHILDREN AND FAMILIES COMMISSION Round 3 Current Summary as of 5/6/03**

<b>ORGANIZATION</b>	<b>AREA SERVED</b>	<b>SUMMARY</b>
Charterhouse Center Montezuma Collaborative Scott Webb (209) 476-1106 scottkwebb@aol.com	Stockton	The Parent-Child Home Program (PCHP) is a home-based parenting program serving families challenged by poverty, low-levels of education, language barriers and other obstacles. Semi-weekly home visits will be provided to families with children age two-four years, who live in the Montezuma School area. A Parent Resource Room will be developed at Montezuma School and parenting workshops will be given on a variety of appropriate topics. Families will be provided with items to childproof their rooms as incentives for attending. Through referrals to collaborating agencies, children ages 0-4 will be screened for immunizations and other potential health problems.
SJC Healthcare Service/SJ General Hospital Healthy Smiles Shanda Wallace, RDH (209) 468-7429 swallace@sjgh.hs.co.san-joaquin.ca.us	San Joaquin County	Healthy Smiles San Joaquin proposes to target children infant to age five, expectant parents and parents of young children in high needs areas providing: oral health needs assessment with report to the Commission, oral health screenings, parent education and staff development workshops, dental treatment referral, case management and dental treatment resources.
SJC Office of Education Creative Child Care Sheri Coburn (209) 468-4960 scoburn@sjcoe.net	Stockton	This San Joaquin County Office of Education and Creative Child Care collaborative project proposes a multi-faceted approach which integrates systems of health promotion, disease prevention, and early intervention services; facilitates parent education with the intent of enhancing parental knowledge and skills surrounding children's growth and development; and collaborates mental health and social skills services for children and parents who might need early mental health intervention as a result of factors that affect a child's well being, inclusive of but not limited to domestic violence.
Stockton Unified School District Early Care & Intervention Jamie Panos (209) 953-4142 jpanos@stockton.k12.ca.us	Stockton	The purpose of the SUSD Early Care and Intervention Services (ECIS) project is to provide, through cross-agency and cross-program collaboration, the following school-based services to the children and families served by SUSD's Infant Care and State Preschool Programs: 1) behavioral intervention services; 2) ensured access to mental health therapy programs, when indicated; and 3) increased access to mental health and behavioral intervention information for families and teachers.
United Way SJC Success By 6 French Camp Parents As Teachers Lizbeth DeAlba-Monte (209) 320-6232 success@unitedwaysjc.org	French Camp	United Way of San Joaquin County's Success By 6 initiative will bring its Parents As Teachers curriculum to French Camp, designated as an "area of highest need" for it Hispanic and African American families by the San Joaquin County Children & Families Commission. Intensive parenting education services will be provided to 85 French Camp families with children prenatal to five years referred from French Camp Elementary School staff. Services include weekly in-home visits by culturally and linguistically appropriate Parent Educators, health and developmental screenings, and referrals to other needed community services that are beyond the scope of the PAT program. Bi-monthly group parenting sessions held at the school will be offered to an additional 320 families with children prenatal to five years.
